LEGAL EXPERIENCE

Greer, Burns & Crain, Chicago, IL

Law Clerk, May 2024–Present

Patent Prosecution

- Draft patent applications and office action responses for clients in aerospace and other mechanical technologies.
- Prepare legal arguments in response to domestic and foreign patent office rejections and other prosecution issues.
- Prepare Right-to-Use opinion letters assessing potential infringement risk for clients' technologies.
- Support U.S. national stage entry and related PCT prosecution matters in coordination with foreign associates across Europe and Asia.
- Draft patent application status and claim allowance reports for partners and clients.

Trademarks, Copyrights, and Other Duties

- Support Schedule A anti-counterfeiting lawsuits and brand protection campaigns, including identifying and documenting counterfeit listings across e-commerce platforms.
- Draft settlement correspondence, licensing agreements, and fair-use analysis reports in copyright matters.
- Conduct legal research on intellectual property, MPEP, and related procedural and evidentiary issues; author CLE materials; and train incoming law clerks on firm workflows and expectations.

ENGINEERING EXPERIENCE

Zulu Pods, Inc., Miami, FL

Engineering and Venture Associate, January 2022–August 2023

- Assisted in fundraising a \$3M seed round by pitching slides to a pool of 800+ VCs and investors, for an aerospace lubrication technology.
- Assessed Zulu Pods' IP portfolio in collaboration with legal and business counsel, identifying patentable innovations and evaluating the competitive landscape.
- Provided engineering support for R&D of lubrication technology with applications in aerospace and adjacent industries.

R.W. Raddatz, Inc., Deerfield Beach, FL

Intern, Head Manufacturing Engineer, June 2021–August 2021

- Programmed aerospace and medical device components for manufacturing using SolidWorks CAD/CAM packages.
- Operated CNC and EDM machines for manufacturing; gained end-to-end exposure from RFP to final inspection.
